M^r Franklin presents his Compliments to M^r Lee:— M^r Deane is at Versailles, [illegible], and M^r F. cannot say whether the Hour 11 to-morrow will suit him: But as they dine together in Town, M^r F. will endeavour to bring M^r Deane with him to M^r Lee's in their Return, which may be about 5 a Clock, if M^r F. does not hear, before 11 a Clock to-morrow, that the Evening will not suit M^r Lee.—
